Subject: Re: chapter 19

Hi Tim,Ned
Nili will look for the time for a call. My position however is that first, we should complete what we've done.
I believe I will end all 24 ch.s later this coming week. And Ned might end re modify it within few days later.
I think a lot, and have some thoughts to share, re the nature of the book. There is more than one way to follow on and we need a basic version, modified by me on accuracy and by Ned on language and streaming, as a basis -anyway.
